

Chairman's Report 21st March 2023

Thank you to everyone who has come along.

Firstly, and most importantly thank you again to all our volunteers around the village, who have been busy doing tasks to help maintain the village. Your work is very much appreciated

A couple of stand out mentions:

Thank you to Geoff Rhodes and Peter Lofthouse for sorting out the Christmas tree - it looked fabulous.

Thank you for all the work the British Legion have done for us this year. The village benches are starting to look like benches again. I hope everyone has noticed how fantastic the restored benches look. I'd like to note that this is only a small part of the work they have done this year. Your help and the extra effort you all put in is very much appreciated.

The new council members have settled in nicely and have been kept busy with picking up everything that was delayed due to covid restrictions. So far we have given the playground some TLC and started getting quotes for a proper refresh of the equipment. The pond has had a bit of a tidy up, but will be getting more of a spruce up in the coming months (hopefully improving the view for the new bench and tree that were organised and installed by the British Legion - thank you again to Edward Threapleton in particular for this).

We have a few more plans for the coming year, but my moving with speed is difficult in local government, so please bear with us.

Regards

Sarah Dawson

Chair of Grewelthorpe Parish Council
